# **ATTENTION:**

## **Income Qualified Homeowners!**

USDA RURAL DEVELOPMENT has a program to help you address energy concerns and remove health and safety hazards from your home:

- Energy Efficiency repairs as insulation or storm windows
- Pay for Hook-on/ Tap Fees for town water or sewer
- Update or install a heating system
- Roof replacement or repair
- Removal of safety or health hazard as new well or septic system
- Make your home more accessible for a disability or health issue

Committed to the future of rural communities.
